MAFIA: Family's Secret features an extreme visual and audio experience. The whole game is purely focused on storytelling, more than any other genre nowadays. Our game features multiple endings based on decisions you make throughout the game. This is a huge amount of content and all the episodes are designed to fit this narrative setting. We're not going to stop and turn to another gameplay genre or development cycle any time soon. If you want to be able to progress in the game, we invite you to check the topics related to the game, read and reply to our posts and expand your knowledge about the game and our world. The game uses a soundtrack composed by Antonius "An0cty" DeGroot, who composed music for several big games like S.T.A.L.K.E.R., Mafia 2, Enter the Gungeon and more. This is the full story of our mafia family. It's not a mere video game, it's a game about life and it's about mafia. This is about our life before we rose to greatness and this is the story of a family who cared and loved each other. TAKE CONTROL: It's not a top down shooter, it's a casual mix between a visual novel and action-shooter. On top of all this - a huge narrative with multiple endings. This is a huge amount of content for a game like this. It's
